

Emeritus Circle Privileges & Benefits

*What will be your
greatest performance?
Leave a lasting legacy
to Canada's
National Arts Centre.*

Purpose of the Emeritus Circle

The Emeritus Circle will ensure the effective and ongoing stewardship of all donors who have made a planned gift to the National Arts Centre Foundation. In addition, this honorary designation will serve to inspire others to think about creating their own meaningful legacies in support of the performing arts. The Emeritus Circle will communicate to donors three vital things:

- Their gift/intention is acknowledged;
- Their gift will be set to work as intended; and
- Their gift is having an effect.

Emeritus Circle donors will receive...

- A personalized donor card;
- Access to the Circles' Lounge;
- A subscription to *Full Circle*;
- Recognition in *Prélude*;
- Recognition on the donor wall;
- Recognition in the Annual Report;
- Invitation to our special annual recognition reception; and
- Access to extension 355, the Circles' Concierge phone line for VIP parking, ticket purchases and exchanges, and Le Café reservations.

Donors who prefer to remain anonymous are still eligible to receive Emeritus Circle benefits.
